FOUNDATION

For good. For ever.

Lubbock Art Association Scholarship Fund

The Lubbock Area Foundation

The Lubbock Area Foundation is an independent, non-profit, publicly supported, tax-exempt organization founded in 1981 to help donors meet the existing and future needs of the area's educational, health, cultural, civic and charitable organizations. The Foundation's scope goes beyond social service and welfare; our donors are improving the overall quality of life in the South Plains area.

The Lubbock Area Foundation administers a variety of charitable funds. Recognizing the importance of scholarships, especially with decreasing dollars for education at the federal level and increasing educational costs for students, the Foundation is pleased to administer the *Lubbock Art Association Scholarship Fund*, which is described below.

The Lubbock Art Association Scholarship Fund

Founded in 1951, the Lubbock Art Association was a community based visual arts organization that played an active role in promoting the fine arts and art education in the South Plains region until its dissolution in 2003.
